sweaty ponytales™

cards born on the run

WHOLESALE CATALOG

welcome!

As a mid-pack runner for over two decades, I know firsthand how hard it is to find the *right* card for an athlete.

So I created **sweaty ponytales**—a line inspired by the kinds of conversations that happen on a run: the ones we have in our heads, the ones we overshare mid-mile, and the ones that stick with us long after we've cooled down.

These cards speak to the joy, grit, and sheer ridiculousness of being a runner—or loving one. Because every runner has a story, and we're here to help tell it.

Whether it's a pep talk, a thank-you, a well-earned congrats, or just a little training humor, we've got a card (or sticker!) for that.

I'm thrilled to share this collection with runners and retailers across the country (and beyond). If you'd like to connect, I'd love to hear from you.

Happy running,

Julie
